

## **IMPORTANT: PLEASE READ THIS CAREFULLY BEFORE REGISTERING THIS SOFTWARE**

By registering this Software, you confirm your acceptance of the following terms and conditions:

### **TERMS AND CONDITIONS OF USE**

#### **LICENSE AND REGISTRATION**

Cathar Software grants the User a personal, individual, non-transferable, and non-exclusive license to use this Software on a single machine owned by the User. Only one active installation may be maintained at any given time.

The use of the Software on virtual machines is not permitted, except in the case of MAC/OS users. Simultaneous use by multiple users, access from terminals to a single centralized copy, and installation on machines used as internet servers are strictly prohibited.

The User may create backup copies exclusively for preservation and future use. Any component of the Software incorporated, in whole or in part, into another program shall remain subject to the terms of this Agreement.

The Registration Number (RN) is associated with the User's Name and Address, as well as the Installation Reference Number (IRN) generated by the Operating System where the Software is installed. The User must request a new RN each time the IRN is modified.

Cathar Software reserves the right to automatically verify the Registration data.

Cathar Software also reserves the right to suspend or cancel the license if abusive, fraudulent, or unjustified use related to recurrent machine changes or repeated activation requests is detected. A maximum limit of six (6) activations or RN requests is established for the lifetime of the product. Once this limit has been reached, Cathar Software may deny further activations or proceed with the permanent cancellation of the license, without the right to a refund.

#### **COPYRIGHT**

The User may not modify or remove copyright notices from any part of the Software, manuals, or other material, nor from any printouts generated by the Software, without prior written permission from Cathar Software.

Reverse engineering and duplication of the Software, in any of its components or forms, constitute a violation of copyright laws and are subject to civil and criminal prosecution

under applicable law and international agreements.

Distribution of the Software by unauthorized persons is prohibited, making both the distributor and the user subject to prosecution.

The sale of results generated by this Software by a Registered User is permitted, provided it complies with applicable national, state, or local sales regulations.

#### **UPDATES AND MODIFICATIONS OF THE PROGRAM**

Cathar Software reserves the right to update, modify, expand, or reduce the contents and functionalities of the program, at any time and without prior notice, for the purpose of improving its quality, security, and performance.

#### **LIMITED WARRANTY AND LIABILITY**

Cathar Software guarantees that the medium on which the program is distributed will be free from material and manufacturing defects under normal conditions of use, for a period of thirty (30) days from the date of sale as evidenced by the invoice.

Cathar Software's sole responsibility is to replace the Software in the event of defects in the distribution medium. The User assumes responsibility for the selection of the Software, its installation, use, and the results obtained.

Cathar Software does not warrant that the functions contained in the Software will meet all User requirements or that operation will be uninterrupted or error-free.

All calculations and/or interpretations generated by the program are intended solely for research or entertainment purposes.

The Author(s) and Cathar Software assume no responsibility for decisions made based on the results of this Software. In no event shall Cathar Software be liable for loss of revenue, savings, or any damages arising from the use or inability to use the Software, even if Cathar Software or a distributor has been advised of the possibility of such damages.

#### **REFUND**

The Buyer has the right to request a full refund within ten (10) days from the date of installation of the product, provided that the product has not been registered.

During this period, the Buyer may use the Software without obligation to register it. To request a refund, the Buyer must notify the Vendor in writing within the ten (10) days, stating the reason for the request.

Refunds will be processed within a reasonable time, using the same payment method originally used. Refunds will not apply once the product has been registered.

#### **TRANSFER**

The Software license is non-transferable once activated with Registration on the licensee's computer.

#### **GENERAL**

This License remains in effect until terminated. Cathar Software may terminate the license immediately if the User fails to comply with any of the terms of this Agreement. Upon termination, the User must destroy the original disks, manuals, and all copies, and cease all use of trademarks.

These Terms and Conditions may be modified without prior notice by Cathar Software. In case of doubt, the version published on the official website Terms and Conditions of Use shall prevail
